PUBLIC SALE CATALOG OF SHORTHORN CATTLE

PURDY BROS., Harris, Missouri

THURSDAY, MAY 31, 1917

At Farm $2\frac{1}{2}$ Miles East of Harris, Sullivan County, Missouri

ANNOUNCEMENT

We have been breeding Shorthorns for nearly thirty years. It has been our life's work and our ambition to breed a strain of Shorthorns that would be second to none. In laying the foundation of this herd, it has been our aim to select cattle of a type that had successfully carried out the idea of "rapid and economical production of beef." In looking through this catalogue you will note that a large number of the cattle have been bred for generations by ourselves, including the herd bulls. We have never exhibited our cattle extensively. However, they have been very successful when shown by us or our customers. We have won many firsts, and several championships at the International American Royal and World's Fair, St. Louis. Thus we consider the great shows of America, and our winnings at these shows is proof of the quality of our cattle. You will notice in looking through this catalogue that a large number of the cattle listed trace to the great cow Orange Blossom 19 by Royal Duke of Gloster. This has been one of our very best and most profitable Scotch families. A large percent of the cattle we have shown in the past fifteen years have been descendants of this strain, including many first and championship winners at our greatest shows, selling at long prices. We are listing many of our very best breeding matrons, including the dams of the second and fourth prize senior heifer calves at the recent International. We also include these two heifers in this sale. The conditions in which we raise our cattle insures them to be in the best condition for the buyers. We believe in letting them make their own living, to a certain extent, and will be presented in good breeding forms, except three or four heifers which are ready for any show yard in America. We are not expecting extraordinary prices. Our cattle have always gone on and made money for the purchasers.

Plan to attend our sale, come and see the cattle. A train schedule and a map showing the location of Harris, Mo., are to be found in the closing pages of this catalogue. Ask for any information you desire. Come and spend the day, and bring your friends, whether you intend to buy or not. Your presence will be greatly appreciated.

Orange Monarch 190181—Sire of our show cattle. He is a massive thick bull with a great coat of hair and a very mellow skin. He was sired by Lord Lovell 130157, out of Sweetheart 2d by Prince Victoria 116918, 2d dam Sweetheart by Prince Victoria 116918, to imp. Orange Blossom 19th by Royal Duke of Gloster.

The more we see of the get of Fairview Monarch, the more we are convinced that we have one of the great bulls of the breed. Parties that saw the few of his get that we exhibited at the International and Western show at Denver are impressed with the superior quality of his get. Such depth of bodies and thick flesh, coupled with such Shorthorn style and character is seldom seen. We have never handled cattle that laid on flesh so rapidly. They are certainly the feeders type.

Fairview Monarch is an own brother of Monarch's Victoria the 1913 International Junior Champion. She was also Grand Champion at the Missouri State Fair. Shorthorn breeders will not soon forget the superior quality of this heifer. Fairview Monarch is just that type, with an ideal head, a perfect crest and full neck veins, rare depth of body and a heavy flesh carrier. We only exhibited calves from him, and early in the season had no intention of showing, but his get made such rapid development that we decided to show at Chicago last December and later at Denver with the result that we won first and second on senior heifer calves, second on senior bull calf, fourth on junior heifer calf, seventh and eighth on junior bull calves, first on calf herd and third on get of sire.

Lord Champion 254700 is we believe one of the best bulls of the breed. He is a grand specimen of the Scotch type. He was bred by that critical judge, C. A. Saunders, of Iowa. Sired by King Champion 191878; dam, imp. Lady Douglas (bred by James Durno) by Lord Douglas 132003. Thus it will be seen that Lord Champion is half brother to the great Cumberland's Last.

Lovely Goods Miss is a great breeding matron, not by guess but by her performance. We doubt whether a better cow will be sold this year. She possesses every quality that goes to make a valuable cow, thick flesh, heavy milker with scale and bone. She is dam of Miss Lovely, the first prize heifer calf at Denver and fourth at International. Our senior show calf for this season is out of this cow, and she is due to bring calf in July to the service of the great bull, Orange Cumberland.

by Lord Lovel 130157, out of Sweetheart 2d (vol. 46, p. 682); dam, Victoria of Glenwood 23d (vol. 67, p. 661) by Glenwood Viceroy 180677, out of Victoria of Glenwood 13th (vol. 52, p. 618).

Miss Lovely is one of the greatest heifers in America. Good judges disagree as to which is the better, this heifer or Lady Victoria, her stable mate. They were first and second at Denver and second and fourth at International and in first prize calf herd. Miss Lovely shows the result of the Fairview Monarch, Standard Goods and Lord Champion cross. We bred her and her ancestors for four generations. She is qualified to go in any show yard in the world, or any breeding herd.

Lovely Goods Miss 2d is a deep bodied, wide as a wagon kind. The Lovelies at Fairview have been a great family. We invite comparison with any other. Lovely 27th in this pedigree is dam of Lovely 30th, junior champion at International in 1901, and sold by us for \$1,400. Lovely Goods Miss 2d is by Orange Goods, one of the best bulls ever bred by us. He was second at International in 1913, standing next to Maxwalton Renown. Fairview Monarch 353426—Sire, Orange Monarch 190181 by Lord Lovel 130157, out of Sweetheart 2d (vol. 46, p. 682); dam, Victoria of Glenwood 23d (vol. 67, p. 661) by Glenwood Viceroy 180677, out of Victoria of Glenwood 13th (vol. 52, p. 618).

Standard Goods 333018—Sire, Best of Goods 262678 by Choice Goods 186802, out of The Runaway Girl (vol. 53, p. 590); dam, Barmpton's Queen of Beauty (vol. 44, p. 432) by Barmpton Royal 122721, out of Queen of Beauty 8th (vol. 44, p. 639).

Lord Champion 254700—Sire, King Champion 191878 by Champion 118343, out of Gladiolus (vol. 39, p. 520); dam, imp. Lady Douglas (vol. 45, p. 1100) by Lord Douglas 132003, out of Lady Cromwell (vol. 41, p. 354E).

Lady Victoria—We disagree as to which is the better, Lady Victoria or Miss Lovely. At the late International, Lady Victoria was second and Miss Lovely fourth, at Denver Miss Lovely first and Lady Victoria second, so you see good judges disagree. We doubt if two better heifers have been sold in recent years by one breeder. Lady Victoria is all that goes to make up a great animal. Such Shorthorn style and character, together with such tremendous heart girth and thickness all over is seldom ever seen. She is fit for any show yard or breeding herd.

Lord Champion 254700—Is we believe one of the best bulls of the breed. He is a grand specimen of the Scotch type. He was bred by that critical judge, C. A. Saunders, of Iowa. Sired by King Champion 191878; dam, imp. Lady Douglas (bred by James Durno) by Lord Douglas 132003. Thus it will be seen that Lord Champion is half brother to the great Cumberland's Last.

Scottish Lady is another of those Orange Blossoms, and sired by Lord Champion, one of the great bulls. He is out of the same dam as Cumberland's Last, and was shown at the International and American Royal, when a yearling and two years old, and always stood first or second. Scottish Lady is a low down wide out kind with beautiful head and breed character. She is a heavy milker and thick flesh carrier, one of our best breeding cows. Sold a bull from her last season at \$600, and have a choice senior bull calf for this season's shows. Will have calf in July to service of Cumberland Viscount.

Sired by the great Lord Lovel 130157; dam, Sweetheart 2d by Prince Victoria 116918, to imp. Orange Blossom 9th by Royal Duke of Gloster, both bred by A. Cruickshank.

Prince of Orange 2d used in our herd seven years and while here produced Secret Prince of Fairview that sold at the Robins & Wornall sale in March, 1901, for \$800 at ten months old, is one of those uniform getters of thick fleshed, mellow, early maturing stock that proves of value to the purchaser. He is a short legged red, with an ideal head, wonderful loin and strong quarters. Sired by imp. Prince of Orange (51916) bred by A. Cruickshank by Cumberland (46144); dam, Mary Anne 37th by imp. The Miss Ramsden is one of the most popular families in Scotland and has produced many good ones, including Proud Bell, Miss Ramsden 9th and 11th (of Luther Adams' show herd), Mr. Kelly's Brave Archer, which sold for \$6,000, Mr. J. F. Prather's Duke of Hamilton 2d, Scotland's Crown, now at the Iowa College, and others well known in Short Horn history.

Lord Champion 254700, is we believe one of the best bulls of the breed. He is a grand specimen of the Scotch type. He was bred by that critical judge C. A. Saunders, of Iowa. Sired by King Champion 191878; dam imp. Lady Douglas, bred by James Durno, by Lord Douglas 132003. Thus it will be seen Lord Champion is half-brother to the great Cumberland's Last.

Champion's Daybreak is one of the best cows in the sale, and comes from a Scotch family that has given us many good ones. She is wide and deep. Her sire is one of the good bulls of the breed, a show bull in any company, winning first and second prizes at American Royal and International, when a yearling and two-year old. Champion Daybreak will have calf in June to service of Orange Cumberland.

		Young Don Juan (3610).....	W. Cooper

Lord Champion 254700 is, we believe, one of the best bulls of the breed. He is a grand specimen of the Scotch type. He was bred by that critical judge, C. A. Saunders, of Iowa. Sired by King Champion 191878, dam imp. Lady Douglas (bred by James Durno) by Lord Douglas 132003. Thus it will be seen that Lord Champion is half-brother to the great Cumberland's Last.

Lord Lovell 130157—Red, of 1897; bred by Messrs. Robbins, Horace, Ind., is a combination of choicest Cruickshank blood; sired by the renowned show bull, St. Valentine 121014, out of Monarch's Lovely by the Mar-bred imp. Gay Monarch 92411, a noted son of the great William of Orange 95756, out of Alexandrina 17th by the renowned Sittyton sire, Athabasca (90276); Lovely of Elmhurst by Lord Wellington 32508; imp. Lovely 28th by Pride of the Isles (35072).

Prince Victoria 116918—A grandly bred Cruickshank Victoria full of substance and flesh. Got by Earl of Hickory Park 111872; dam, Victoria of Glenwood 2d by Royal Duke of Pleasant Ridge 36889; 2d dam imp. Victoria 51st by Royal Duke of Gloster (29864); 3d dam Victoria 47th by Lord Lansdowne (291128); 4th dam Victoria 39th by Champion of England (17526).

Fashion Viscountess—Another daughter of Lord Champion. She is of that short-legged, wide-out, deep-bodied kind that can always be depended on. This family has been one of the greatest producers in our herd. Viscountess of Fairview 6th, of this same family, was Junior Champion at 1906 International. We sold her to Mr. Miner, of Oregon, for \$1,500. Fashion Viscountess is heavy in calf to Cumberland Viscount.

We have made special arrangements with the Milwaukee officials to stop trains numbered 25 and 26 for the sale. However, you will not be able to buy a ticket to Harris, but we suggest that if you come on either of these trains that you buy your ticket either to Gault on the south or Seymour on the north and then pay the difference in cash fare.

People coming by St. Joseph can make good connections via Chillicothe. It is not necessary to go via Kansas City.
